

# MATHEMATICS CURRICULUM LEADER

**Years 6 - 12**

**Full-time**

## **JOB OVERVIEW**

Scotch College has an opportunity for an enthusiastic and experienced teacher to lead the Mathematics department.

This is a full-time position and involves leading and managing a team of eleven staff in the design and delivery of both the International Baccalaureate and WACE curriculum across years 6-12.

The Mathematics Curriculum Leader reports directly to the Dean of Teaching and Learning in the Senior School and will be expected to work closely with, and to take direction from, the Head of Senior and Middle Schools.

In addition, Curriculum Leaders are part of a team that advise the College Executive and Headmaster on the academic vision of the College whilst also being responsible for the implementation of that vision. The position includes a responsibility allowance and 0.4 time allocation.

The successful candidate must have:

- Proven high level mathematical ability
- Exceptional communication, presentation and leadership skills
- The ability to build strong relationships with students, staff, parents and members of the broader College community
- The ability to innovate and act strategically while working closely with individuals and groups to achieve the school's priorities
- A demonstrated knowledge and track record in building strong, cohesive and forward thinking departments
- A sound knowledge of contemporary developments in technology and STEM education

Our ideal candidate is an exemplary practitioner with the ability to inspire staff to produce outstanding mathematicians. Current department leaders as well as aspiring leaders are encouraged to apply for this career enhancing position. Appropriate postgraduate qualifications or Highly Accomplished or Lead certification are desirable, but not essential. Understanding of International Baccalaureate is desirable yet by no means essential, the priority is to appoint a leader in the discipline of Mathematics.

Scotch College is located in Swanbourne, one of the most sought after suburbs in Western Australia, and is a leading independent boys school. It offers the International Baccalaureate Program across Years 1 to 12 as well as the choice to study the Western Australian Certificate of Education in Years 11 and 12. The College works closely with our sister school, Presbyterian Ladies College. Scotch College prides itself on the breadth and depth of education provided to our students.
