

# SCIENCE TEACHER

## PHYSICS OR CHEMISTRY SPECIALIST

**Full-time | Commencing Term 4, 2017**

### **JOB OVERVIEW**

Scotch College requires an experienced, enthusiastic and innovative teacher to fill this permanent teaching position which will commence for our new Academic year in Term 4, 2017. Applicants must have demonstrated experience in successfully teaching physics or chemistry to the highest standard at either WACE or International Baccalaureate Diploma level and Science to years 9-10. We are looking for an exemplary practitioner with the desire and the skills to produce outstanding physicists or chemists.

Scotch College is located in Swanbourne, Western Australia, and is a leading independent school for boys. Scotch College has a commitment to excellence in its academic programme from Kindergarten to Year 12. The School offers the International Baccalaureate, Primary Years Programme (PYP), the Middle Years Programme and the IB Diploma in Years 11 and 12. We also offer the full range of WACE courses. The Baccalaureate provides exciting and innovative opportunities for the teaching and learning programmes of the school.

Scotch College is committed to the careers of its staff. The opportunity to work in the International Baccalaureate programme makes Scotch staff employable all around the world. In a joint venture with the tertiary sector, an enhancing classroom practice programme is offered to assist teachers to further develop their classroom skills and teaching repertoire.

As an Apple Distinguished School, a cutting edge ILT system is in place to ensure teachers have the best technology at their disposal for the development of effective and innovative learning. An extensive co-curricular programme assists teachers build relationships with their peers, students and their families outside the classroom. The course management structure gives staff the opportunity to gain experience in managing and coordinating curriculum areas and the pastoral care process allows all staff to actively engage with boys and their parents.

The successful candidate will be required to provide evidence of current registration with the Teacher Registration Board of Western Australia and a Working with Children card.
