

SCOTCH COLLEGE PARENTS' ASSOCIATION

The Parents' Association of Scotch College is a Support Group which involves all of the parents at the College. Our main aims are:

- To encourage good relations between the parents of boys at the school and between parents and school staff
- To promote and support the activities of the school which contribute to our sons' overall education and enjoyment of their lives at Scotch

The Association does this by organising functions and activities such as:

- The Welcome Family BBQ
- Year group functions for parents with boys in Years 7 to 12, some in conjunction with other supporters groups such as the Mothers Auxiliary
- A parents, boys and staff Golf day
- Function for boarding parents and committee members of other support groups in the final week of Term 1
- End of year Sundowner to thank staff of the School

Providing support to the Scotch community and School by:

- Attending regular meetings with members of other Scotch College Support Groups
- Committee members attend three meetings per year with Parents' Association and Mothers' Auxiliary members from five other schools in the area (The '6x6' Group)
- Arranging the printing and sending of the Scotch College Calendar
- Drawing one family per term to win a terms' fees, paid for by the Association, providing they are Association members and have paid their fees on time

The Association funds projects such as:

- The purchase of name badges for all parents at the School
- Air conditioning of the Junior and Senior Schools
- New kitchen and high ropes courses at Moray, the School's Outdoor Education property at Dwellingup

The Association's funding is derived from:

- \$25 per term per family for membership, paid through the term fees invoice, and
- Sale of the Scotch College Calendar

As a Scotch Support Group we are fortunate to have the Headmaster's representative, Mrs Kate Quinn, Director of Marketing and Business Development, attend our monthly committee meetings. We also invite the Chairman of College Council, the Headmaster and other staff to attend our meetings from time to time during the year.

If you would like any more information including our constitution, committee member details, summary of committee and '6x6' meetings and upcoming events, please do not hesitate to contact us via email on ParentsAssoc@scotch.wa.edu.au, or attend our AGM on Tuesday 10 February 2009.
