#### Additional Information

Please list below any health or educational circumstances of which the School needs to be aware in order to provide quality care and support to the student (e.g., ill health, ADD/ADHD, physical or other disabilities):

#### Application for Registration – Enrolment Procedure

The Application for Registration must be accompanied by a Registration Fee of \$150 Australian citizen/resident or and \$300 full fee overseas students which is not refundable. Receipt of Application for Registration by the School does not guarantee entry into the School. Places are allocated strictly in the order of the application date however the School reserves the right to allocate at its discretion in special circumstances. Places are offered three years ahead of entrance and are made based on date of application.

Each nominated entry point is treated independently of each other. Until you are offered a place you will be asked to confirm that your Application for Registration is still valid at subsequent dates. It is essential that parents keep the School informed of changes in address and telephone numbers so that they may be notified in this regard. If parents cannot be reached because this has not been done, the place may be allotted to another applicant.

If enrolment within twelve months of this application is sought, a scholastic report (where applicable) from the boy's present School should accompany this application. The College may require further information and/or to interview the parents and the prospective student prior to reaching a decision with respect to whether or not to offer a position to that prospective student. Acceptance is conditional on, amongst other things, the Headmaster being confident that the boy does not have particular needs, learning or otherwise, which the School could only satisfy if it were to suffer unjustifiable hardship. Acceptance is conditional upon the prospective student having a proficient level of English at the time of entry to the College.

### **Confirmation Fee**

A non-refundable, non-transferable Endowment Fee based on one-quarter of the annual Senior School tuition fee and the Old Scotch Collegians Fee will be payable to Scotch College when a place in the College is offered and accepted.
