

MIDDLE SCHOOL TEACHER

MATHEMATICS/SCIENCE/PHYSICAL & HEALTH EDUCATION

Full-time | Fixed term

JOB OVERVIEW

Scotch College has an opportunity for an enthusiastic and experienced teacher to join our Middle School for Semester 2, 2018. This is a fixed-term, full-time position responsible for teaching Yr 8 Mathematics, Yr 8 Science and Yr 7/8 Physical and Health Education (HPE).

The Scotch College Middle School is a Year 6-8 campus with the key learning principles focusing on:

1. Transition – recognising the distinct and complex physical, social, emotional and intellectual changes students in Middle School are contending with and being developmentally responsive
2. Engagement – creating the contexts that have every student engaging with curriculum, their peers, traditions and opportunities and building supportive relationships
3. Innovation – providing for all students and teachers the opportunities to take a risk, to extend themselves, to try something new in a supportive, ICT rich environment

Scotch College highly values teachers with an enthusiasm for and skills in collaborative teaching and learning, a commitment to pastoral care and a willingness to be involved in a significant co-curricular programme of sports, arts and academic support.

Our ideal candidate will:

- Have the ability and experience to successfully teach Mathematics & Science, Mathematics & HPE, or Science and HPE
- Be someone who is collaborative and flexible and is able to work in a team environment
- Be able to apply sound pedagogical principles in the classroom including the use of ICT skills and creative and critical thinking tools
- Have experience in effectively managing the pastoral needs of students
- Have excellent communication and interpersonal skills in interactions with colleagues, parents and students

Scotch College, located in Swanbourne, Western Australia is one of Australia's leading schools for boys. The School has been at the forefront of education since its foundation in 1897. Throughout its long history, the School has upheld a tradition of excellence that is reflected in a wide and progressive curriculum.

Scotch College is an International Baccalaureate (IB) World School which offers a learning programme based on the Western Australian and Australian Curriculum, and a choice in Years 11 & 12 of three pathways; WACE, VET or IB Diploma. At Scotch College, learning is more than academics; it is a total picture, which provides a balance between a student's intellectual, physical, emotional, relational and spiritual needs.
