MATHEMATICS CURRICULUM LEADER

Years 6 - 12

Full-time

JOB OVERVIEW

Scotch College has an opportunity for an enthusiastic and experienced teacher to lead the Mathematics department from the commencement of 2019.

This is a full-time position and involves leading and managing a team of twelve staff in the design and delivery of both the International Baccalaureate and WACE curriculum across years 6-12.

The Mathematics Curriculum Leader reports directly to the Dean of Teaching and Learning in the Senior School and will be expected to work closely with, and to take direction from, the Head of Senior and Middle Schools.

In addition, Curriculum Leaders are part of a team that advise the College Executive and Headmaster on the academic vision of the College whilst also being responsible for the implementation of that vision. The position includes a responsibility allowance, a 0.4 time allocation and an expectation to actively contribute to the co-curricular programme of the College.

The successful candidate must have:

- Proven high level mathematical ability
- Exceptional communication, presentation and leadership skills
- The ability to build strong relationships with students, staff, parents and members of the broader College community
- The ability to innovate and act strategically while working closely with individuals and groups to achieve the school’s priorities
- A demonstrated knowledge and track record in building strong, cohesive and forward thinking departments
- A sound knowledge of contemporary developments in technology and STEM education

At Scotch College, learning is more than academics; it is a total picture, which provides a balance between a student's intellectual, physical, emotional, relational and spiritual needs.

Scotch College is an International Baccalaureate (IB) World School which offers a learning programme based on the Western Australian and Australian Curriculum, and a choice in Years 11 & 12 of three pathways; WACE, VET or IB Diploma.

Scotch College is committed to the careers of its staff. The opportunity to work in the International Baccalaureate programme makes Scotch staff employable all around the world. In a joint venture with the tertiary sector, an enhancing classroom practice programme is offered to assist teachers to further develop their classroom skills and teaching repertoire.
As an Apple Distinguished School, a cutting edge ILT system is in place to ensure teachers have the best technology at their disposal for the development of effective and innovative learning. An extensive co-curricular programme assists teachers build relationships with their peers, students and their families outside the classroom. The course management structure gives staff the opportunity to gain experience in managing and coordinating curriculum areas and the pastoral care process allows all staff to actively engage with boys and their parents.

The successful candidate will be required to provide evidence of current registration with the Teacher Registration Board of Western Australia (TRBWA) and a Working with Children Check (WWCC).

Applications should be submitted via the SEEK website with the names and contact details of two professional referees.

Closing date: 4pm Thursday 2nd August 2018
