Outdoor Education is a compulsory part of every boys education from Year 5 to year 10.

Creates opportunity for boys to
  - Challenge them self
  - Live together
  - Work together
  - Develop as a reflective citizens.

Moray is the Schools outdoor education campus located in Dwellingup. 66hectar of forested Jarrah, Marri and Yarri. Sleeps 42 students in dorms with 3 campsites on the property.

Moray is bounded by the Murray River, Bibbulmun track and Munda Biddi trails all that are accessible and used in all programmes.

Yr8 Programme

Boys attend in 2 class groups from a mix of houses, They need to bring only what is on the equipment list that is issued with the med form and notes to parents. Most important is a 2L water bottle (not a milk bottle) and a sun Hat

Every student will receive a journal to complete during programme with a self assessment to be completed with parents on the first weekend together, Boarding students have until after the first boarders weekend or D1 of the next term.

ishare. Parents will be able to access images and Blogs on the ishare website every night for an up to date account of how the programme is unfolding. Info on how to access will be in the parent letter and emailed to parents prior to programmes.
