Outdoor Education Summary

Staff Shawn Brogden (Head of Outdoor Education)
Liam Sullivan (Bibbulmun Track)
Christa Hawter (Middle School)

Outdoor Education is a compulsory part of every boy’s education from Year 5 to year 10.

Creates opportunity for boys to:

- Challenge them self
- Live together
- Work together
- Develop as reflective citizens

Moray is the School’s Outdoor Education campus located in Dwellingup. 66 hectares of forest - Jarrah, Marri and Yarri. Sleeps 42 students in dormitories with 3 camp sites on the property.

Moray is bounded by the Murray River, Bibbulmun track and Munda Biddi trails, all of which are accessible and used in the programmes.

Year 9 Programme

Boys attend in 2 class groups from a mix of houses. They need to bring only what is on the equipment list that is issued with the medical form and notes to parents.

Most important is a 2L water bottle (not a milk bottle) and a sun hat.

Every student will receive a journal to complete during programme with a self assessment to be completed with parents on the first weekend together.

Boarding students have until after the first boarders weekend or Day 1 of the next term.

ishare. Parents will be able to access images and Blogs on the ishare website every night for an up to date account of how the programme is unfolding. Information on how to access will be in the parent letter emailed to parents prior to programmes commencing.
