

# Science Teacher (Marine & Maritime) (0.8 FTE Part-time, Permanent)

## JOB OVERVIEW

### The Position

Scotch College is seeking a passionate and enthusiastic Science teacher to contribute to an engaging, high-quality learning experience for students in Marine and Maritime studies. This is a permanent part-time (0.8 FTE) position, commencing at the start of Term 2, 2026 or as soon as the successful candidate is available.

The ideal candidate will be an outstanding educator with a proven record of success in teaching Marine and Maritime studies ideally at both ATAR and General level. They should demonstrate a strong commitment to enhancing student outcomes and possess the ability to collaborate effectively within the faculty.

Scotch College highly values teachers with an enthusiasm for and a commitment to pastoral care and a willingness to be involved in a significant co-curricular programme of sports, arts, a wide range of clubs and a strong focus on inclusive education. Our teachers are encouraged to continue to develop and innovate their practice, and enjoy access to regular, career enhancing professional development.

The successful candidate will have:

- experience in teaching Marine and Maritime studies and a successful teaching background in these areas
- comprehensive understanding of the Western Australian Curriculum.
- relevant knowledge to plan, deliver and assess the science teaching and learning curriculum across Years 7-12
- competent digital technology skills to enhance teaching and learning
- the ability to create an engaging learning environment
- exceptional communication, presentation and teamwork skills along with the ability to build strong relationships with students, staff, parents and members of the broader College community
- a willingness to contribute to our extensive programme of co-curricular activities

In return we will offer the opportunity to work in partnership with a progressive and enthusiastic team, a well-planned and resourced curriculum, and outstanding professional development opportunities.

Additionally, our Employee Value Proposition highlights our commitment to our staff through our sense of community and our workplace culture, environment, benefits, and opportunities. Our staff also enjoy:

- a supportive team environment
- excellent resources
- career enhancing professional development
- opportunities for innovation

## About Scotch

Scotch College Western Australia is one of Australia's leading independent schools, with a 125-year-old history of academic excellence. Nestled in leafy Swanbourne on 22 spacious hectares, the College caters for 1500 students in Pre-Kindergarten to Year 12, including over 120 boarders from across the world.

We are an International Baccalaureate (IB) World School that offers a learning programme based on the Western Australian and Australian Curriculum and with a choice in Years 11 & 12 of three pathways: WACE, VET or IB Diploma.

Scotch College weaves longstanding traditions and Christian values with contemporary education to foster global citizens. We are well-known for our incredible breadth of education and our supportive community.

We believe in lifelong learning and offer all staff enormous opportunities to build new skills and develop their career. Each day at work, you will access advanced technologies, work within state-of-the-art facilities, and collaborate with staff who are leaders in their areas of expertise.
