

# Technologies Teacher - Food

## JOB OVERVIEW

### The Position

Scotch College has an exciting opportunity for a part-time specialist educator to fulfill the role of Technologies Teacher – Food from Term 1 January 2027, with a teaching load of 0.6 FTE.

The successful candidate will be required to teach Years 6 –10 Food Design classes. Our ideal candidate will be able to demonstrate outstanding teaching practice and have a comprehensive understanding of the WA curriculum. They will also be able to demonstrate their dedication and commitment to improving student outcomes and their ability to work collaboratively within a cohesive and motivated faculty.

Scotch College highly values teachers with an enthusiasm for and a commitment to pastoral care and a willingness to be involved in a significant co-curricular programme of sports, arts, a wide range of clubs and a strong focus on inclusive education. Our teachers are encouraged to continue to develop and innovate their practice, and enjoy access to regular, career enhancing professional development.

The successful candidate will have:

- Have relevant tertiary qualifications in Food Design/Technology teaching;
- Comprehensive understanding of the Western Australian curriculum.
- Commitment to fostering the pursuit of creative ideas, project-based learning opportunities, and innovative practical design activities.
- Ability to collaborate and explore new opportunities for innovation in teaching and learning
- Knowledge of contemporary developments in Technology education and the ability to contribute to programs.
- Proficiency with the integration of ILT into teaching programs.
- A high level of safety knowledge and awareness.
- Ability to create an environment of active and genuine learning.
- Exceptional communication, presentation, and teamwork skills along with the ability to build strong relationships with students, staff, parents, and members of the broader College community.

Knowledge and experience of teaching Digital Technologies is also desirable but not essential.

Additionally, our Employee Value Proposition highlights our commitment to our staff through our sense of community and our workplace culture, environment, benefits, and opportunities. Our staff also enjoy:

- a supportive team environment
- excellent resources
- career enhancing professional development
- opportunities for innovation
